**2015-2016 Class Schedules**

Class schedules were handed out to all students on the last day of high school classes (June 10th). If your schedule is incomplete because of course conflicts, you need to meet with your counselor to correct this. The days and times that Mr. Duquette and Mr. Korte will be available over the summer are listed on the next page of this newsletter.

**SENIOR PICTURES** - August 26th and 27th

New in the 2016 Yearbook will be a section for Formal Portraits (head shot, back drop and three point lighting). This section will include senior high school records (teams and organizations over 4 years). Formal portraits will be taken at the school by the school photographer, and a mailing with sign up information will go out this summer. Purchase of these portraits is not required for the picture to be included. Informal portraits with quotes and favorites will be a separate section. Submission of candid pictures will continue to be a key part of the senior section, any questions please e-mail the yearbook advisor, Mrs. Armstrong (garmstrong@leepublicschools.net).
Class of 2016 Summer College Application Checklist

- Begin to narrow down your list of colleges (6-12 is a good number to shoot for at this point).
  - Use the information you have gathered through research and visits to refine your list.
  - Review SAT results and GPA (Information about each college’s admissions requirements can be found in Naviance).
  - Enter prospective colleges into Naviance - There are two lists (Colleges I’m Thinking About and Colleges I’m Applying to).
- Make sure that the email address that you have in Naviance is an email that you check frequently. Also make sure that you have an appropriate email address to use and provide on college applications.
- Complete the Student Self-Assessment (Naviance), Game Plan Survey (Naviance), and have one or both of your parents complete the Parent Questionnaire (LMHS Counseling Website).
- Ask teachers to write your letters of recommendation before you leave for summer vacation.
- Summer is a great time to visit schools on your list, and the best way to see if a school is a good fit for you is to visit the campus.
- Determine the application procedure for each school on your list and start applications. Decide if you will be applying early to any of the schools. The Common Application for next year will be available August 1st.
- Begin working on your essay, Common Application essay prompts are available now. If you have a college on your list that is NOT on the Common Application then you will need to go to that school’s website, search for the application and find the essay topic.
- Do something interesting - Get a job, attend a summer program, volunteer, etc.

LMHS Naviance Family Connection Now has Guest Access

Naviance is a college and career readiness platform that helps connect academic achievement to post-secondary goals. Students have already created accounts. Features include career assessments, college search, college application management, college visitation information, transcript requests, recommendation requests, scholarship applications, and more!! Parents can get their own Family Connection account by requesting an access code from your child’s counselor. Anyone can get limited access to the tools that Naviance has to offer by logging in as a guest using password: lee.

Congratulations to Em Nutt!

Congratulations to Em Nutt for selling an original painting that was on display at the Lauren Clark Fine Art Gallery on Railroad Street in Great Barrington. Em was a participant last spring in a 6 week “Artists in the Classroom” workshop, an outreach program from CATA (Community Access to the Arts) in Great Barrington.

LMHS and ShoeBox Recycling Collaborate to Recycle Shoes

Please bring in your old shoes that might still be usable for someone else, and place them in the Shoe Box Recycling bin. In addition to mindfulness around shoe reuse, we will be raising funds to support the Lee athletic program. ShoeBox Recycling is a for-profit recycler of shoes. All of the shoes collected will be reused by those in need of affordable footwear.

ShoeBox Recycling will donate money to our athletic program for each pair of shoes that we receive.
